## TOEIC® Listening and Reading Test

### Test Center Regulations

You should have nothing on your computer table except your identification; put everything else under the table. All personal electronic devices should be turned off and put away. Watch alarms must also be turned off. You may not eat, drink, or use tobacco during the test. The official time will be kept by the computer. The administrator is authorized to dismiss you from the test session, and/or your scores may be canceled if you fail to follow directions or for other actions such as, but not limited to, the following. ETS will be notified of the action taken.

- attempting to take the test for someone else or having someone take the test for you
- failing to provide acceptable identification
- obtaining improper access to the test, or a part of the test, or information about the test
- using any type of communication device during the test session or during breaks
- using any aids in connection with the test, such as mechanical pencils, pens, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, cell phones, watch alarms, stop watches, dictionaries, translators, and any hand-held electronic or photographic devices
- creating a disturbance
- attempting to give or receive assistance, or otherwise communicate, in any form, with another person about the test during the test session
- attempting to remove from the test room any test content or notes relating to the test
- tampering with the computer
- leaving the test room without permission

## **Test of English for International Communication**

### **General Directions**

This test is designed to measure your English language ability. The test is divided into two sections: Listening and Reading.

You must mark all of your answers in the answer spaces provided on the screen. For each question, you should select the best answer from the answer choices given. Then, click on the button that corresponds to the letter of the answer that you have selected. If you decide to change an answer, click on the new answer.

Continue

### Testing the volume

This is a volume test. If you don't hear clearly, adjust the volume controls on your computer or contact your administrator.

Test your sound

When you are finished, click on **Continue** to go on.

## Part 1 - Directions

For each question in this part, you will hear four statements about a picture on the screen. When you hear the statements, you must choose one statement that best describes what you see in the picture. Then click on the letter (A), (B), (C), or (D) in the answer space provided. The statements will not appear on the screen and will be spoken only one time.

Look at the example item on your screen. Now listen to the four statements.

Choose the correct answer

1.

- (A)
- (B)
- (C)
- (D)

Statement (C), "They're standing near the table" is the best description of the picture so you should select answer (C) and click on (C) in the answer space provided.

Now part 1 will begin.

## Part 2 - Directions

You will hear a question or statement and three responses spoken in English. They will not appear on your screen and will be spoken only one time. Select the best response to the question or statement and click on the letter (A), (B), or (C) in the answer space provided.

### For example:

You will hear: Where is the meeting room?

You will also hear:

- (A) To meet the new director.
- (B) It's the first room on the right.
- (C) Yes, at two o'clock.

Choose the correct answer.

11.

- (A)
- (B)
- (C)

The best response to the question "Where is the meeting room?" is choice (B), "It's the first room on the right," so (B) is the correct answer. You should click on (B) in the answer space provided.

Now let us begin with question number 11.

I grant ETS permission to use my responses to this test for educational research, instructional purposes, and informational material produced by ETS. I understand that my identifying information (i.e., name, date of birth, and registration number) will not be connected to this material in any way.

- Yes
- No
